

# BMF Effects

Built By Hand ★ SoCal, USA

Thank you for purchasing the Liquid Sky Deluxe Dual Chorus pedal from BMF Effects. Please read all instructions before using.

**INPUT** – Signal input from the guitar.

**OUTPUT** – Signal output to the amp.

**BYPASS** – This switch engages or bypasses the pedal.

**SELECT** – This switch selects which side of the pedal is active.

**A/B / A+B** – This toggle changes how the two sides of the pedal interact with each other. A/B switches between the two sides of the pedal, while A+B stacks them together in series.

## Controls For The A and B Sides Of The Pedal

**INPUT** – Signal input from the guitar.

**OUTPUT** – Signal output to the amp.

**SPEED** – This knob controls the amount of speed present in the effect signal when the pedal is engaged.

**BLEND** – This knob controls the amount of chorus present in the effect signal when the pedal is engaged.

**DEPTH** – This knob controls the amount of depth present in the effect signal when the pedal is engaged.

The Liquid Sky Deluxe Chorus can be powered by either a 9v battery or with a negative tip 9v power supply such as the Boss PSA-120 or the Voodoo Labs Pedal Power 2 Plus.

## Adjusting The Internal Trim Pots

There are two trim pots inside the Liquid Sky Chorus pedal. The large one that can be adjust without a screwdriver controls the output volume and should be adjusted to taste. The second trim pot inside the pedal, the one that cannot be adjusted without a screwdriver, does not require user adjustment. It has been adjusted to the optimum setting prior to shipping.

## Warranty

All BMF Effects pedals come with a transferrable five (5) year warranty except for the foot switch which carries a three (3) year limited warranty from the date of purchase. The following items are not covered by this warranty.

- Damage due to acts of nature or deities.
- Damage due to abuse or neglect.
- Damage due to unauthorized modification or repair.
- Damage due to use of an improper or incorrect power supply.

## THERE ARE NO USER SERVICEABLE PARTS IN THIS PEDAL!

Unauthorized modifications or repairs void the warranty. All repairs are handled directly through BMF Effects and must be accompanied by a repair authorization number; please contact [sales@bmfeffects.com](mailto:sales@bmfeffects.com) should you need one. Should you ever have any questions regarding proper usage of a BMF Effects product or this warranty, please do not hesitate to contact me.

Thanks again for choosing BMF Effects.
