

Specifications

- Battery: 9V **Alkaline** 6LR61 or 6F22
- DC power supply: 9V **Regulated**
- Power consumption: 30mA
- Frequency response : 10Hz to 20kHz
- Input impedance : 1Mohm
- Output impedance : 1kohm
- Dimension: 75.5 x 115.5 x 47.5 (mm)
- Weight: 260g (include battery)

Battery & Power

If use a battery, When the indicator goes blinking or no longer lights while an effect is on, it means that the battery is nearly dead and must be replaced. Also it means that the voltage of power supply is too low or disconnected if use a power supply system.

When use the pedal with batteries, Please use **ALKALINE** batteries to prevent leaking damage.

When use the pedal with a AC adaptor or DC power supply system, Please use DC9V **REGULATED** (100mA or higher) power supply. Using unregulated or switching power for IT system can cause of HUM NOISE of high frequency noise.

Limited Warranty

The products manufactured by ARTEC will be free from defect in workmanship and materials for a period of two years from proven date. For warranty, please contact the authorized dealer or shop in your region.

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose of these materials with your normal household waste, but make sure that they are collected for recycling. Please follow the notes and markings on the packaging.

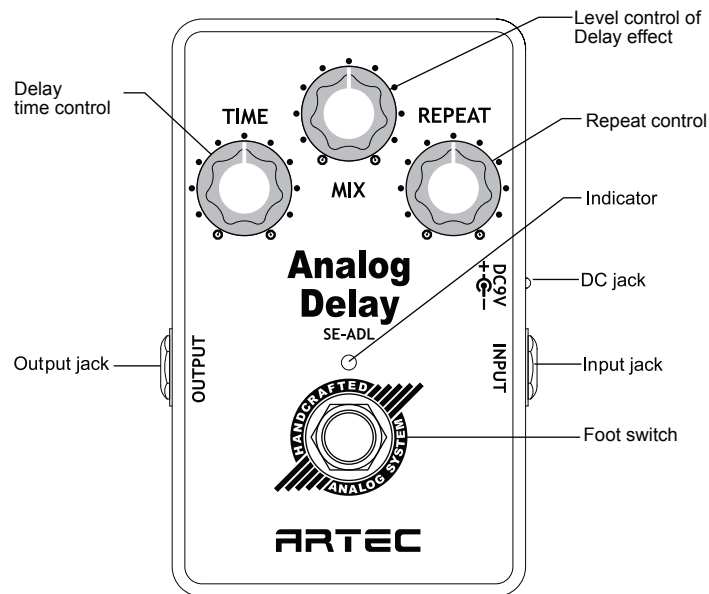

The plasticiser contained in the rubber feet of this product may possibly react with the coating of your parquet, linoleum, laminate or PVC floor and after some time cause permanent dark stains. In case of doubt, do not put the rubber feet directly on the floor, but use felt-pads or protectors on a carpet.

This product is subject to the European Waste Electrical and Electronic Equipment Directive (WEEE) in its currently valid version. Do not dispose of your old device with your normal household waste. Dispose of this product through an approved waste disposal firm or through your local waste facility. Comply with the rules and regulations that apply in your country. If in doubt, consult your local waste disposal facility.
